

Student Nurse Resume

[Your Name]

[Your Address]

[City, State ZIP Code]

[Your Email Address]

[Your Phone Number]

[Today's Date]

Objective:

Dedicated and compassionate student nurse seeking an internship opportunity to gain practical experience and apply my classroom knowledge in a clinical setting. Eager to contribute to a healthcare team's success while furthering my education in nursing.

Education:

Bachelor of Science in Nursing (BSN) | [Your University Name], [City, State] | [Expected Graduation Date]

- Completed comprehensive coursework in nursing fundamentals, health assessment, and pharmacology.
- Acquired hands-on experience through clinical rotations in various healthcare settings, including medical-surgical, pediatric, and obstetric units.
- Maintained a strong academic record, demonstrating a deep understanding of nursing principles and patient care.

Clinical Experience:

Nursing Intern | [Hospital/Clinic Name], [City, State] | [Dates of Internship]

- Assisted registered nurses in providing direct patient care, including taking vital signs, administering medications, and assisting with wound care.
- Collaborated with the healthcare team to develop and implement patient care plans, ensuring patient safety and comfort.
- Documented patient information accurately in electronic health records (EHR) and participated in shift handovers.
- Assisted in the orientation and education of patients and their families, providing information on treatment plans and self-care.

Skills:

- Patient Assessment
- Medication Administration
- Electronic Health Records (EHR)
